

“It’s voting time. If you don’t VOTE you don’t matter!”

June 8, 2022

Dear Wonderful Spoken in the Wheel:

I want to take a few minutes to express my deep and profound appreciation for your prayers, love, friendship, and great support! Even though we have endured some moments and times of sadness and distress, we must continue to press on as the driving force for the future so that it will be brighter, and safer for all of us. Remember that **God is Still Good!**

Our breakfast meeting will be Monday, June 27th, 2022, 9:00 am – Noon, at St. Margaret’s Catholic Church, 408 Addison Road South, Capitol Heights, Maryland. Our Law Enforcement, Fire and EMS agencies will provide updates. We will receive presentations from the Maryland Department of Housing and Community Development, and two presentations from our county Department of Health Behavioral Health Services on the Bridge Center at Adams House, and Tobacco Enforcement. A special presentation will be on the Blue Line / Central Avenue Corridor. This is to provide us with information on what is being planned and what we want to see for our community.

The 3rd Sunday in June is “Father’s Day.” The data clearly shows that when a father is involved, and takes an unwavering interest in the life of his child, the child is proven to be extremely successful in life. Let’s celebrate the fathers.

Words cannot express just how thankful I am for all you continue to do in helping to create this powerful and successful coalition. Further, I love and appreciate your coming to the great reception which was sponsored by the Friends of Joanne C. Benson. Hugs and love to all who made this event successful.
