

"Sow your seeds on fertile soil and after many days, you will find it"

June 6, 2023

Dear Wonderful Spokes in the Wheel:

We are now at the end of another productive and informative year. This correspondence comes with a **"bushel of hugs"** and a **"great BIG thanks"** for everything you have done to ensure our success of 28 years. We have met new friends, received valuable information and helped in moving many projects which have enhanced our quality of life.

Our breakfast meeting will convene **Monday, June 26, 2023, 9:00 a.m.** at St. Margaret's Catholic Church, 410 Addison Road South, Capitol Heights, MD. This is an urgent meeting. I am requesting that you bring pencil, paper and a contribution for St. Margaret's Catholic Church.

Our Law Enforcement Agencies will give an in-depth presentation regarding scamming, "Pigeon Drops" and Fraud Schemes. We have also invited representatives from Housing and Community Development, DPIE, Department of Aging and Public Works and Transportation. Our meeting will not end until 12:30 p.m. The information from these presentations is critical. There is other information and announcements which you need to be aware of.

The 3rd Sunday in June is "Father's Day." I can't stress enough how important a father's role is the life of his children. The data clearly shows that when a father takes an interest in the life of his child, the child is prone to be extremely successful in life.

*We have done much with little and
we will continue to press forward as we keep on looking up!*
