and after many days you will find it.”*

May 9, 2022

Dear Wonderful Advocates, Friends, and Supporters:

We are beginning to see the hand of God with the beauty of flowers, grass growing, leaves on trees, and we “*Are Still Here!*” While the weather seems unpredictable, at least there are no hurricanes or tornadoes. Our coalition has been a source of strength and unwavering support in creating an awareness of valuable information for our community, state, and nation. Because of you, we have helped in building the future for over 25 years. **TO GOD BE ALL THE GLORY!!**

Our breakfast meeting for this month will convene on **Monday, May 23, 2022 @ 9:00 am**, located at St. Margaret’s Catholic Church, 410 Addison Road South, Capitol Heights, Maryland 20743. We will receive updates from our Law enforcement, Fire, EMS, and other agencies.

The focus will be on Health and Wellness addressed by Eugene Poole with Aligned Benefits Group, and a few others. I want to spend a few moments on our legislative newsletter and the handbook from the Department of Aging. There will be several future activities and concerns which will be announced and discussed.

For your information, Mayor David Chapman is being honored by the Lake Arbor Community on **Saturday, May 28th, 2022**. Although the RSVP date has passed, you may still congratulate him and check on whether there is space to attend. Please review the attached information.

In closing, I want you to know that without you there would be no coalition. We are the only coalition of its kind operating in this area. You really are the rising tide! If you have any questions or suggestions, please don’t hesitate to call our office at 301-858-3148 or email us at joanne.benson@senate.state.md.us.

Gripped with Appreciation,

Joanne C. Benson
