

## MID-ATLANTIC CARP SESSION

8 Saturday's program. First class scheduled for September 17, 2022 at 7:30AM  
MACTC: 8510 Pennsylvania Ave, Upper Marlboro MD 20772

**Tired of a dead-end job and lousy pay? Now is the time to start a new career!**

This unique program was created to enhance opportunities for men and women in underserved communities. It offers qualified candidates the chance to partake in an 8-week pre-apprentice training program that introduces participants to the basics of the carpentry-related construction industry. After graduation from the CARP, candidates can apply for entry into their local registered carpenter apprenticeship program.

### Do You?

- Want a great job that offers a family-sustaining career path, including health and retirement benefits?
- Wish for the chance to try something new with no risk and no cost?
- Aspire to show commitment and willingness to take on hard work?
- Prefer working with your hands and your head?

*If you answered yes to any of these questions, please scan the QR code and fill out the application to apply and receive more information!*

### Why Join CARP?

Opportunity to learn a unique trade that is always in demand and makes a positive difference in your life and in your community.

- Opportunity to earn family sustaining wages and benefits after successful completion of CARP once you enter your local registered apprenticeship program.
- Opportunity to earn professional pride and become a member of something bigger by joining an international organization of brothers and sisters dedicated to protecting workers' wages and rights.
