

MARYLAND HOMEOWNER ASSISTANCE FUND

MAIN PURPOSE AND GOALS:

The Homeowner Assistance Fund (HAF) was created under section 3206 of the American Rescue Plan Act of 2021. It provides residential mortgage assistance and other homeownership related financial assistance to Maryland homeowners who have experienced a hardship during the COVID-19 pandemic to avoid loss of residence for eligible homeowners. The Maryland Department of Housing and Community Development will administer the program by taking applications through an online portal. Homeowners with mortgages should be working with their mortgage servicers so that HAF assistance is supplementary to options that might be offered by the mortgage servicer such as various loan modifications.

PROGRAM INCEPTION AND DURATION:

The Maryland Homeowner Assistance Fund opened to homeowners statewide on December 20, 2021. The program will continue until September 30, 2026, or until funding is fully reserved, whichever comes first.

STRUCTURE:

This assistance will take two forms – the Maryland Homeowner Assistance Fund Grant (**HAF Grant**) and the Maryland Homeowner Assistance Fund Loan (**HAF Loan**). The HAF Loan may be combined with the HAF Grant and/or with the HAF WholeHome Grant.

HAF GRANT

The program will offer a one-time payment designed to avoid imminent displacement due to, but not limited to:

- Property tax delinquency,
- Chattel loan delinquency,
- Manufactured housing/mobile home loan; or land lease/ground rent delinquency
- Homeowner or Condominium Association fee delinquency
- Home Insurance fees delinquency
- Municipal sewer and water fees delinquency
- Mortgage delinquency

Specific grant eligibility:

The HAF Grant borrowers' household gross income may not exceed **100% of area median income (AMI)**

Specific terms:

- Outright grant - there is no mortgage recorded on the property
- maximum assistance - \$20,000

HAF LOAN

The program will offer a one-time payment of a delinquent mortgage amount and/or additional funds to facilitate a principal reduction or rate reduction to reduce ongoing mortgage payments to levels affordable to the homeowner. Specifically, the HAF funds will be required to result in the monthly mortgage payments (principal, interest and escrows) being less than 50% of the household gross monthly income. Servicer's loss mitigation workout must be used to cure the delinquency and/or bring the monthly mortgage payment below 50% of the household gross income before using HAF money.

Assistance payments will be made directly to the mortgage servicer.

Specific loan eligibility and terms:

The HAF Loan borrower's household gross income may not exceed **150% of area median income (AMI)** (see the last page)

Specific terms:

- The loan will require a recorded lien on the property
- \$40,000 maximum loan amount
- 0% interest rate
- Deferred payments for the life of the first mortgage
- Payment due in full when the first mortgage ends (repayment, refinance, transfer, sale)
- Repayment is subject to review and the department may, based on homeowner's equity in the property at the time of repayment:
 - require payment in full
 - establish a payment plan
 - allow full or partial forgiveness.
